

ALC Environmental is a bustling, national environmental consulting firm based in New York City and is seeking Environmental Health and Safety Specialists for our NYC office. Since 1997 we have been a leader in the Environmental Field in NYC. Join our growing group of over **100 professionals** dedicated, committed and passionate about the Environment, Health and Safety of NYC and the Metropolitan area.

This position will be working with our lead-based paint division. The candidate will gain knowledge of lead-based paint, light construction, mold and other environmental disciplines.

Job Responsibilities

- Perform Lead Based Paint Inspections utilizing X-Ray Fluorescence (XRF) technologies in private and public housing units within the five boroughs of NYC.
- Perform Visual Inspections of paint condition in apartment buildings.
- Collect dust and paint samples as required by various regulatory agencies, complete data sheets, chain of custody forms, and prepare samples for shipment to laboratory.
- Interact and communicate with clients, contractors and regulatory agency representatives.
- Prepare inspection reports.
- Strong verbal communication skills.
- Flexibility to various work schedules and situations related to emergency response scenarios.
- Ability to carry and climb ladders and being able to use hand and power tools.
- Be able to wear a respirator, safety harness and other safety equipment as needed
- Must be a reliable team player.
- Travel throughout New York City is expected.
- The following certifications are a plus but not required (we will provide as needed): HAZWOPER, OSHA 10, and Scaffold Training.
- High School Degree required. Bachelor's Degree or equivalent preferred, but not required.
- Prior experience in various aspects of inspections is a plus. **But not required. We will train you to perform the task and assist you in getting necessary licenses.**

ALC offers a competitive compensation package including Health Benefits, Paid time off, 401K with match, Fun Office Atmosphere including Snacks and a Friendly, Collaborative Culture that values personal initiative and professional achievement.

ALC is Equal Opportunity Employer.
